CONDITION OF THE PROPERTY. The property is being sold on an AS IS, WHERE IS basis.

AUCTION DAY REGISTRATION. It is recommended that bidders arrive approximately one hour prior to the scheduled auction time so that there will be time to register and have any property-specific or auction related questions answered. To be eligible to bid, each prospective bidder must register prior to the auction, present the required cashier's or certified check and receive a numbered bidder's card.

AUCTION PROCESS. The bidding will be open outcry. Registered bidders may choose to place their bids either directly to the Auctioneer or through an Auctioneer's assistant. The Auctioneer will control the manner in which the auction is conducted, the increments of bidding and the order of bidding. All announcements made by the Auctioneer on the day of the auction will take precedence over all prior oral or written information. If any disputes arise, the Auctioneer's records shall be deemed conclusive and final. The Auctioneer reserves the right to refuse admittance to or eject any person from the auction room for whatever reason he deems appropriate. The Contract to be signed at the auction will supersede all prior oral or written information.

EXECUTION OF THE CONTRACT. The successful high bidder, as identified by the Auctioneer, will immediately execute the Contract and deposit the required cashier's or certified check made payable to Stewart Title Guaranty Corporation ("Escrow Agent") as initial earnest money.

The initial earnest money MUST be increased by wire transfer, cashier's or certified check to an amount equal to ten percent (10%) of the sum of the high bid price and the Buyer's Premium (as hereinafter defined) and deposited with Escrow Agent (the "Supplemental Deposit") on or before 10:00 a.m. CDT, July 2, 2012. The sales must close on or before September 7, 2012, at which time the high bidders will pay the remaining balance of the purchase price. An Owner's Fee Title Insurance Policy will be provided by Stewart Title Guaranty Corporation. All survey, title insurance, escrow fees, general real estate taxes and all other closing expenses shall be paid at closing by either the high bidders or the seller, as provided for in the Contract.

BUYER'S PREMIUM. The high bidders will pay a premium equal to 3.5% of the high bid price. This amount will be added to the high bid prices to determine the purchase prices as provided in the Contract.

BIDDING PROCEDURE. The property is being offered Without Reserve Subject to the Approval of the U.S. Bankruptcy Court, Northern District of Illinois, Eastern Division. The final high bids will be presented to the Court on July 9th, 2012, (the "Sale Hearing") and the Debtor shall move that the Court confirm the sales to the high bidders in accordance with the established sale procedures (the "Sale Approval"). In the event that the Sale Approval is not acquired as provided for in the Contract the earnest money deposit will be refunded to the high bidders and the Contract will be declared null and void.

MANAGING BROKER PARTICIPATION. Managing Broker participation may be permitted under the following guidelines: A real estate commission equal to one and one-half percent (1.5%) will be paid to the duly licensed real estate managing broker acting as a Buyer Agent whose registered prospect closes in accordance with the Contract. To be eligible for a commission the managing broker must (i) be currently licensed as a managing broker in the state of Illinois, (ii) identify the prospect by name and address, acquire their prospect's signature confirming Buyer Agent's arrangement on the managing broker's company letterhead, and send the registration letter by certified mail, return receipt requested, to Auction Services Group, Inc. 2 N. LaSalle Street, Suite 1100, Chicago, Illinois 60602, Attn: Robert Roggeveen. This letter must be received by Auctioneer prior to June 11, 2012 and prior to any attendance at an open house by their prospect. A managing broker will not be eligible to register a prospect that has had contact with the Auctioneer, seller or any of their related parties prior to receipt by Auctioneer of managing broker's registration letter, and lastly (iii) attend and register with the prospect at a scheduled on-site inspection and at the auction. Eligible managing brokers will be sent an acknowledgment letter and are required to bring this letter to an on-site inspection and to the auction for verification. There will be no commission paid to a

managing broker if that managing broker is representing themselves, their company, another managing broker or broker in their company, or a member of the managing broker's family. An affidavit will be required to be signed by managing broker to certify that the managing broker is not acting as a principal in any manner whatsoever. Managing Broker, Auctioneer and seller offer no sub-agency to any managing broker or agent.

NO ORAL REGISTRATIONS WILL BE ACCEPTED AND THERE CAN BE NO EXCEPTIONS TO THIS MANAGING BROKER REGISTRATION PROCESS.
